10 MARVELOUS JAPANESE IRIS

Only **\$1.85**

AND

10 NEWER GARDEN Iris **Free**

The Japanese Iris are truly "wonderful." They combine the stateliness of the Lily; the majestic beauty of the Peony, opening into flowers 6 to 10 inches in diameter; the delicacy in coloring of the Orchid, pure white, lavender,

pink, dark purple, maroon, violet and plum; the Chrysanthemum in profusion of bloom, one large clump often producing as many as thirty-five to forty clump stalks; and are truly kingly in their magnificence. This description may possibly give you a faint idea of the wonders of the Japanese Iris in the garden, but you will have to call on your own imagination to picture their beauty as a cut flower in your home where they will keep from a week to ten days coming out as do the Gladioli until each bud has opened. No garden is up to date without these exquisite Japanese Iris. At this special price you may have both the Marvelous Japanese Iris and the Newer Garden Iris. Plant liberally of both.
